Faithful Navigator's Report

Dear Sir Knights All:

As we embark on a new year for our Assembly and as your rookie Faithful Navigator, I would like to extend to all our Sir Knights of MSGR. Albury Assembly 2006 to join me and our new slate of Officers for the 2019/2020 season in having an enjoyable, interesting and hopefully enlightening year.

As well, I would like to congratulate and welcome our new slate of Officers for this coming year. For those Officers who have agreed to stay on and for the Officers who will be serving for the first time, I humbly thank you

all for your service to our Assembly.

I would like to, on behalf of all our Sir Knights take a moment to remember our State Master, Sir Knight and Brother, Frank Visentin who passed away earlier this year. We have been very fortunate in having our Former State Master, Sir Knight and Brother, Andy Sambrielaz step in and assume the Master's responsibilities during this interim period and until a new Master has been appointed. By doing so, it has been guaranteed that the State's 4th. Degree business was and is being carried on without any interruption.

To that end I would like to report that a new State Master has been appointed. Sir Knight and Brother Bill Jankola has been appointed our new BC/Yukon State Master. On behalf of our Assembly, I welcome Sir Knight and Brother Bill Jankola to his new position. May God bless him in his work and bring him many years of success while carrying his many responsibilities as our State Master.

In discussion with our own Sir Knight and Brother Gord Reichelt, District Marshall, I am advised that the Master will be visiting Vancouver Island in October. Hopefully this will be the case so as to give us the opportunity to meet him sooner rather than later.

It would be fitting at this time, at the onset of a new year to remember and pray for our own Sir Knights and Brothers who have passed on. May God keep and bless them always.

As your Faithful Navigator I look forward to this coming term. I humbly ask for your support and guidance as we approach this year positively but with some reservations as well. There have been some very significant changes in the past couple of years, the most significant is the change in uniform. I'm sure there will be other challenges as well.

With the absolute ruling from Supreme with regard to the 'Regalia', never to be worn again, our Assembly no longer has an Honour Guard. We will

and actually have come to terms with this delimit just this past August, at the funeral service of our Brother and Sir Knight Ron Wesley.

We will continue to have our Faithful Captain, Sir Knight Andre Melancon carry on as per usual in his official role as Faithful Captain. We will carry on wearing our official 'uniform', the Tux with Social Baldric and be present at services where our presence is required as 4th Degree Sir Knights.

As soon as we have a firm date for our Installation of Officers as well as location, I will let everyone know.

I look forward to serving our Assembly and you my Brother Sir Knights to the best of my ability as we progress through this next year.

Programs

Two Programs worth remembering as Knights

FAITH PROGRAM: Our goal is to strengthen our men and their families in the faith. When we entered the Order, we were reminded to constantly inform ourselves in the Catholic faith. This formation goes beyond mere facts or religious practice to an authentic connection with a loving God and his son Jesus Christ.

- FAMILY PROGRAM: Father Michael J. McGivney sought to strengthen the familial bond of father to mother and children to parents. Our family programs are an evolution and response to a society that seeks to weaken the bonds of family. We must make it clear that society should value a family that is faithful to God and each other.
